November 2001 - May 2002

Activities carried out: Management and administration of computer systems for internal and external Customers (Windows NT4 and SCO Unix platforms), application management, backup configuration.

OBC (On Board Courier)

Several Companies

The well-done IT setup of my companies, combined with an efficient calendar schedule, allows me to work often remotely. This led me to be able to carry out the activity of On-Board Courier.

I used to work directly for UPS Italy and now I'm working with different OBC companies.

I have a valid Russian Business VISA and an ESTA for the U.S.A.

I'm a serious person, reliable, problem solver and I'm familiar with airplanes, airports, customs and time critical situations.

EDUCATION

High School Diploma in Foreign Languages – Liceo Linguistico (English, French and Spanish)

Master di Gestione e Strategia d'impresa - Il Sole 24 ORE Business School

1-year master in management and business strategy. A path in general management aimed at entrepreneurs of small and medium-sized enterprises, who wish to acquire the tools to manage the business of their company with managerial and innovation, improving its performance: from the study of economic factors to the development of a strategic business plan, from internationalization processes to digital transformation.
